Please Make Use for Recovery of the Aquarium!

Kuwait donated 240,000,000 Yen (3 Million US Dollars)

The Arab country Kuwait granted a contribution to Aquamarine Fukushima for recovery of the Aquarium.

The amount is more than 240,000,000 Japanese yen.

Today, His Excellency Mr. Abdul-Rahman Al-Otaibi, Ambassador Extraordinary and Plenipotentiary of the State of Kuwait to Japan visited “Aquamarine Fukushima” in Iwaki City, and delivered 3 million dollars, about 240,000,000 Japanese yen.

The donation was realized due to the bonds that Executive Director Mr. Yoshitaka Abe created. He used to work at Kuwait Institute for Science and Research for training of researchers before, and continued to deepen his ties with Kuwait after he came back to Japan.

Interview to Mr. Abe:

“I am so grateful. The contribution will be utilized to facilitate man-cultured mountain (*satoyama*) exhibition, which is home to our heart.”

The ambassador commented that “we will continue our support in various ways.”
